COMMUNITY OPEN HOUSE

We believe being responsible in business also means being responsible to the community that hosts our project.

We want to hear from you.

Join the conversation at our community open house where we will introduce you to the Moraine Solar Energy Center, located in the Town of Burns (Allegany County) and the Town of Dansville (Steuben County). The project is proposed to be sited on about 500 acres of land between Arkport Canaseraga Road and State Route 36 near State Route 70 and will generate up to 94 MW of clean and sustainable renewable energy.

The community open house will take place on:

**THURSDAY
APRIL 11TH 2019
from 4:00 – 8:00 PM**

**American Legion
83 Main Street
Canaseraga, NY**

In an open house type format with no set schedule (the public is welcome to join at any time)
