

**Town of Burns
Public Input Meeting
May 20, 2014**

Supervisor Lauren Oliver called the meeting to order at 7:00pm.

Present: Supervisor: Lauren Oliver, Superintendent: Steve Mullen, Council: Dennis Rawleigh, Cathi Kenyon, Larry Thompson, David Ras, Butch Underwood, Michelle Swain, Rodney Swain, Karla Ras, Kym Duthoy, Denise Spike, and Clerk Mary Duthoy.

There was a discussion on what options we have once the property is ours. Could we demolish and sell or build something new.

Chuck Mann is of the opinion that the building can be saved, but at what cost. He suggested at a previous meeting that it would take \$120,000.00 to \$160,000.00 just stabilize it and put a roof on it.

Supervisor Lauren Oliver stated that the Landmark Society would send engineers out to look at it to see if they thought it could be saved.

Michelle Swain suggested that if the Town sold it, it could be specified that the front had to be saved to go with the architecture of the other buildings on Main St., and the type of business also.

Getting liability insurance will also be a challenge.

Larry Thompson made the motion seconded by David Ras to adjourn at 7:47pm. Carried.

Respectfully submitted,
